2019 MEMBERSHIP DUES INVOICE

Important Information on Deductibility of Dues

NYSOS dues are not deductible as a charitable contribution for federal income tax purposes. Dues may, however, be deductible as a business expense. Please note: in compliance with federal tax law, we must notify you that the portion of your dues representing lobbying expenses is not deductible. We estimate that 35% of the dues paid to NYSOS for 2019 cannot be deducted by our members as a business expense for federal income tax purposes. While we regret that this portion of your dues is non-deductible, it is vitally important that NYSOS continue to advocate aggressively for the rights of Ophthalmologists and their patients.
